The Utah Cultural Celebration Center is becoming recognized as one of Utah's premier destinations for arts and cultural events. The Cultural Center is the only locally driven arts and cultural complex in the Salt Lake Valley, and is perhaps the only facility of its kind offering such a unique blend of spaces and objectives.

At the heart of these objectives, the Utah Cultural Celebration Center seeks to preserve and perpetuate local cultural traditions and to become a home for local arts and artists. It is a place for people of all ages to connect to their heritage and learn about the traditions of their neighbors.

Nearly into its fifth year of operation, the Utah Cultural Celebration Center is experiencing a new level of maturity and growth. Public programs are more diverse than ever, featuring everything from grassroots, community-driven projects to internationally touring art exhibitions. The Cultural Center continues hosting festivals and many free public gatherings celebrating Utah's diverse ethnic populations, and has also found new audiences through its WorldStage! Outdoor Concerts, ARTrageous Tuesdays educational series and many other programs.

Come join the celebration!
